Student Affiliate-MD ACS Green Chemistry Initiative Award

The MD ACS is sponsoring a “Student Affiliate – MD ACS Green Chemistry Initiative Award”. This Award will be given to Student Affiliate groups who host or participate in a Green Chemistry Event of their own choosing. Ideas include: 1) hosting a Boy/Girl Scout group on campus and help them reach their Science Badge in a “Green” manner, 2) host an informational session with demonstrations to a high school or college community to increase awareness of Green Chemistry, and 3) change a laboratory experiment to a Green experiment. Novel ideas for the Green Chemistry Initiative and collaborations with other local Student Affiliate chapters and/or the MD-ACS are highly encouraged!

- The Green Chemistry Initiative Awards will be given out to a maximum of 2 chapters at the April Student Awards Dinner Meeting. Recipients of the award will receive \$250 for their chapter activities.
- Documentation requirements: A statement (no longer than 2 pages) must be submitted for consideration which includes:
 - Description of event/participation
 - Names of group members (more than 2 people must be involved in order to be considered)
 - Community impact
 - 2-3 digital pictures of the event
 - Plans for award money (if received)
 - Any other pertinent information
- Student affiliate groups can only be considered for one Green Chemistry Award per calendar year.
- Questions about the award or documentation for the award should be e-mailed to Ms. Susan Mercer at sgill002@umaryland.edu
- Green Chemistry Award documentation is **due annually on February 1st**
